

COMPANY PROFILE

Water & Waste Treatment | Plumbing | Fire Fighting

INTRODUCTION

JSK ENTERPRISES

From Conceptualization to Commissioning, we provide end to end services for Industrial, Hospitality, Residential & Healthcare projects in the field of Water & Waste Water Treatment, Plumbing & Fire Fighting

COMPANY OVERVIEW

JSK Enterprises is an Indian owned engineering company specializing in the fields of Water & Waste Water Treatment, Plumbing & Fire Fighting services.

PRESENCE

The company is registered at Vadodara & providing services PAN India.

SERVICE APPROACH

Right from the conceptual stage to detail designing and engineering, execution, erection and and commissioning along with operation-maintenance & AMC contracts under one roof.

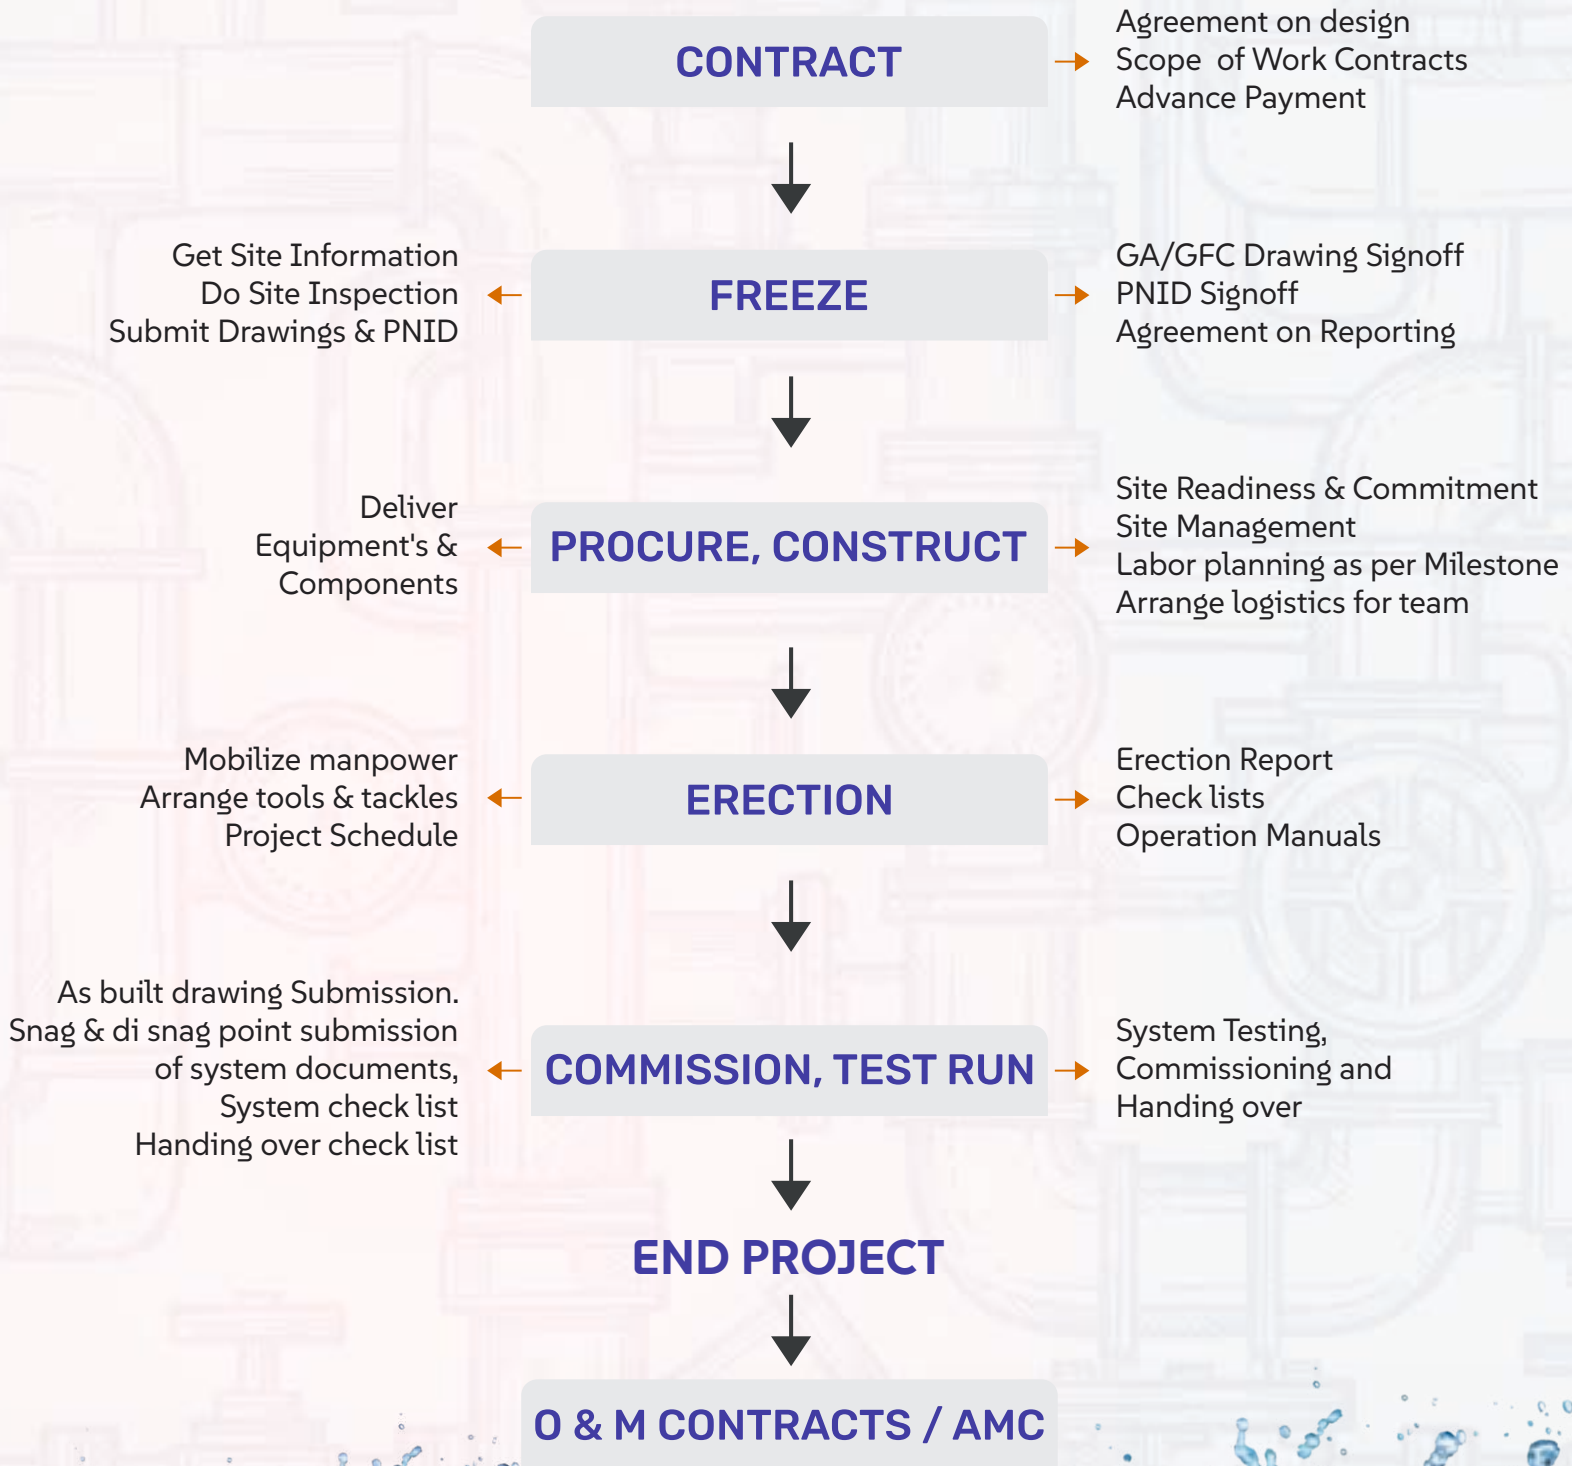

EQUIPMENT

We also have latest tools & tackles including Welding Machine, Grinder, Core Cutting Machine, Cutting Blades, Safety Equipment such as Helmets, Safety Shoes, Gloves, Goggles, to complete projects on time with safety & quality output

"ENGINEERING EXCELLENCE, DELIVERED"

PROJECT MANAGEMENT

MAJOR AREAS OF ACTIVITIES

SPECIALIZED DIVISIONS

PLUMBING

Comprehensive plumbing solutions for Water supply, Drainage, and Sanitary Systems. Expert in Installation, Repair, and Maintenance for Residential and Commercial properties.

FIRE FIGHTINGS

Design, Installation, and Maintenance of Fire Suppression Systems, Contract and project execution of fire hydrant system, Advanced Sprinklers, Alarms, and Extinguishing equipment for building safety compliance.

WATER & WASTE WATER TREATMENT : SOFTENER / WTP/ STP/ ETP

Designing and implementing purification system for Water Softener, System for Safe water consumption, Sewage Treatment Plants and Waste Water Management.

AMC / OPERATION & MAINTENANCE CONTRACT

Comprehensive maintenance and operation services. Regular Inspections, Repairs, and Upgrades to ensure optimal performance of all installed systems.

ENGINEERING EXCELLENCE, DELIVERED

SERVICE OFFERINGS

PLUMBING : CONTRACTS PROJECT WORK

With Materials
Without Materials

FIRE FIGHTING : CONTRACTS PROJECT WORK

With Materials
Without Materials

GROUND WATER TREATMENT

Water Treatment Plant
Water Softener
Reverse Osmosis (RO)
Demineralized Plant (DM)

WASTE WATER TREATMENT PLANT

Sewage Treatment Plant (STP): MBR, MBBR
Package STP: MBR, MBBR
Grey Water Treatment Plant
Laundry Water Treatment Plant
Effluent Treatment Plant

HEAT PUMP, HYDROPNEUMATICS SYSTEM, PUMPING SYSTEM

MAINTENANCE

Operation-Maintenance Contracts for
Water & Wastewater Treatment Plant
AMC for Pumping System

WATER FEATURES

Swimming Pool
Water Bodies
Lake Revival
Rainwater Harvesting

"ENGINEERING EXCELLENCE, DELIVERED"

WATER TREATMENT PLANTS

SAND
FILTER

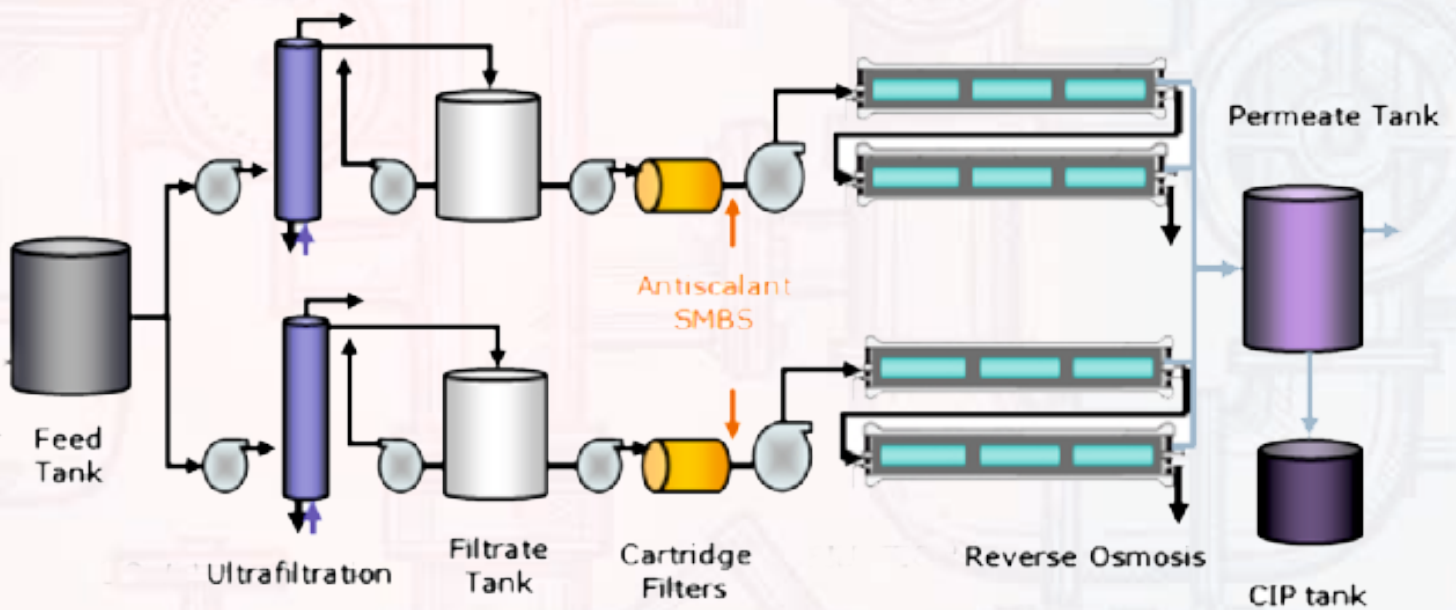

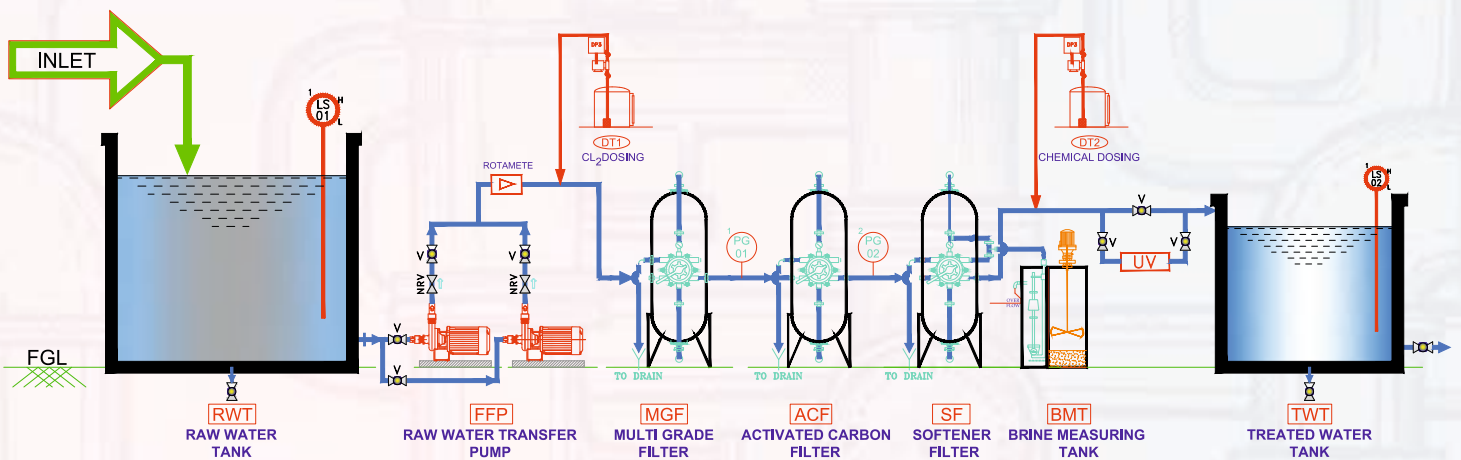

CARBON
FILTER

WATER
SOFTENERS

MIRCON
FILTER

ULTRA
FILTRATION

Reverse
Osmosis

"ENGINEERING EXCELLENCE, DELIVERED"

WASTE WATER TREATMENT PLANT: STP / ETP

MBR: Membrane Bio Reactor

MBBR: Moving Bed Bio Reactor

SBR Sequential: Sequential Batch Reactor

ASP: Activated Sludge Process

GWTP: Grey Water Treatment Plant

LETP: Laundry Effluent Treatment Plant

PWWTP: Packages / Pre-fab / Containerized Waste Water Treatment Plant

"ENGINEERING EXCELLENCE, DELIVERED"

SYSTEMS

Ultraviolet (UV)

DAF System

Pumping Systems

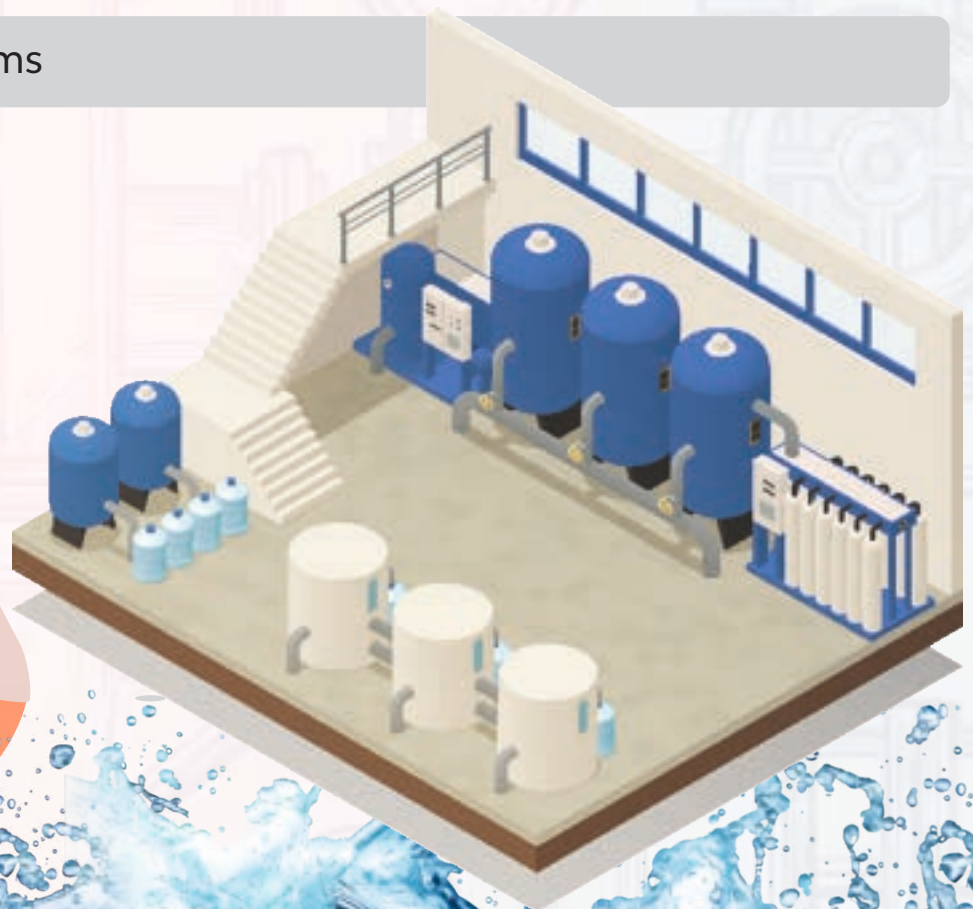

Heat Pumps

Ozone

Lamella Clarifiers

Online Monitoring System Equipment's: COD Analyzer

Hydro pneumatic Systems

"ENGINEERING EXCELLENCE, DELIVERED"

PRODUCTS

FILTERS

- Filter Vessels & its Distribution System
- Bag Filters
- Disc Filters
- Swimming Pool Filters/ Accessories
- Filter Media: Sand Media / Carbon Media / Softener Resin / DM Resin
- Multiport Valve: Filters/Softener

MEASURING INSTRUMENTS / TEST KITS

- Flow Meter (Turbine Type / Digital /Electro)
- Rotameters
- Pressure Meters / Gauges
- Water Test Kits: TDS, pH, Conductivity, ORP Meter/ Hardness,FRC Kit, etc.
- Pressure Switches / Level Switches

SPARE/ CHEMICALS / CONSUMABLES

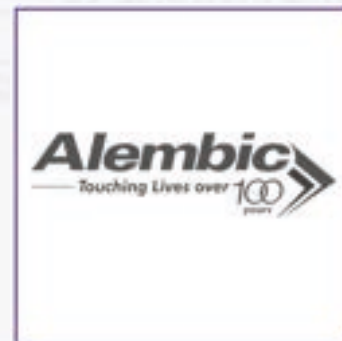

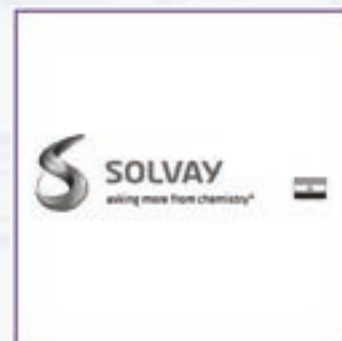

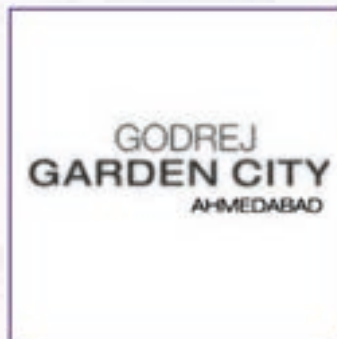

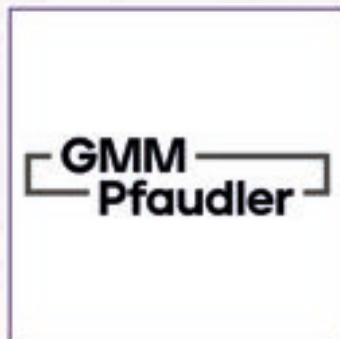

- RO Membrane Hosing, RO Membrane, UF Membrane
- STP / ETP : Hypo Biocide/ Poly / Urea/ DAP / Bio Culture
- STP / ETP : Bio Media / Tube / Lamella Media
- RO Chemicals: Anti-scalent / SMBS / Chlorine / pH Correction
- Swimming Pool: TCCA 90
- Cooling Tower / Boiler Chemicals

EQUIPMENT'S

- Pumps: Water Transfer/ Desludging / Fire Pump/ Hydropneumatic System
- Dosing Pumps / Tanks
- Oil Skimmer
- Filter Press / Centrifuge / Co bag & DAF
